

# Triton College Hosts 2011 High School Artists' Competition

## Entertainment – Try it at Triton!

Triton College is hosting the 2011 High School Artists' Competition through Feb. 18, 2011.

Our annual high school competition has been retooled for 2011. This year the selection process will highlight works of art chosen by the district's high school faculty and responses from our judges. The same superb quality of creation and gala celebration will be familiar to participants of previous competitions.

This event, held in the Triton College Fine Arts Gallery, features a display of student works from Triton College constituent high school districts, both public and private, judged for awards. Approximately 200 pieces will be included in the annual winners' exhibition. A gala reception hosted by the college, **Wednesday, Feb. 16, 6-9 p.m.**, provides an opportunity for family and friends to celebrate with the student artists. The Fine Arts Gallery is located in the J Building (Room J-107), on the west side of Triton's main campus, 2000 Fifth Ave., River Grove.

To learn more or for gallery hours, call (708) 456-0300, Ext. 3506.

Please note that admission to all gallery events is free.
