

Triton College Offers Community Employment Program for People with Cognitive Impairments

Triton College, the Transition Planning Committee and the Proviso Township Mental Health Commission are partnering to bring courses for students 18 or older who are challenged with cognitive impairment. The courses are entry level, non-transferable credit courses designed to develop employable skills that can lead to competitive, entry-level jobs and enhance everyday living skills.

For the spring 2011 semester the Triton College School of Continuing Education will be offering the following:

Employment Skills II

Meets Tuesdays and Thursdays

Feb. 8-June 2, 2011

1:30-3:30 p.m.

Classes will be held in the J Building, Room J-113,

Located on the west side of Triton's main campus

2000 Fifth Ave., River Grove.

- If you are a Proviso Township resident you may qualify to get your tuition and fees paid in full.
- Individuals not in the Proviso district may attend the course for tuition of \$450.
- Students/parents please call Margie Harp, MS, RN, Triton College School of Continuing Education, at (708) 456-0300, Ext. 3773, to register or for additional information.
