

WAITING FOR "SUPERMAN" Featured at Triton College Come See the Film and Join the Conversation

Triton College and Illinois State Representative Karen Yarbrough are pleased to announce an opportunity for the college and the community to view the award-winning documentary by Davis Guggenheim, *WAITING FOR "SUPERMAN"* on Thursday, April 14, 2011, at 7:30 p.m. in the Triton College Performing Arts Center (Room R-218) located in the Robert M. Collins Center on the east side of Triton's main campus, 2000 Fifth Ave., River Grove, Ill.

The film features stories about public education in relation to the hopes, dreams and untapped potential of children from various communities. This compelling film will inspire and provide profound insight regarding the state of public education in the United States today.

Representative Yarbrough will facilitate the question and answer session with a panel of local educators immediately following the screening of the film. The discussion will engage different viewpoints and highlight innovative approaches to help kids succeed. Similar discussions are occurring around the country, propelling communities to participate in solution-making for the future of our children.
